**Estill High School – Synetria Hawkins, Principal**

We have ended a new marking period, and transitioning to the second half of the year full steam ahead! Our teachers, staff, and administrators would like to provide some tips and reminders to assist with ensuring our students finish the year with successfully:

- Parents, please ensure you stay abreast of the activities taking place in your child's class, such as upcoming test, homework, and important assignment due dates. Our new Parent Square App will keep you connected to the classroom. The invitation was sent via text and email.
- Remember to update your contact information as changes are made to phone numbers, emails and physical addresses.
- We will be administering multiple test this semester: WIN Ready Career Assessment, English, Algebra, Biology and Chemistry EOC's, ASVAB, and the ACT. We have online practice and interventions in place to assist our students with test preparation. Consult with your child or contact the school about how students can utilize these practices at home.
- Students were issued new ID's. We would like to remind parents that students must have their ID for all classes, the bus, and the cafeteria. Please assist them in ensuring that they bring them to school daily. Temporary ID's are \$2.00 for the first two. Once their temporary ID's have been exhausted, they must purchase a new ID for \$7.00.

## CONGRATULATIONS

- Congratulations to our Lady Gators on their win against Blackville-Hilda, Williston-Elko, and Ridgeland.
- Congratulations to our Boys Varsity team on their win against Williston-Elko.
