2019-2020 Goals

As we continue our **mission** to provide a rigorous personalized environment of academic excellence that prepares Each child, Each Day and in Every classroom to be **college/career** ready and **citizen** ready, we have identified **three goals for this year.**

Goal 1: Writing In All Content Areas

Learning to write, and write well, is a crucial life skill. This year we will have a stronger focus on students writing to learn in all of their content areas.

Goal 2: Rigor, Relevance, & Relationships

All of our students will be engaged in meaningful assignments that will encourage them to think critically, creatively, and more flexibly in environments that support academic excellence.

Goal 3: Social-Emotional Health

Our goal for social-emotional learning is teach our students coping strategies and skills that will help them achieve both academic and real-world success.

Tdap

The South Carolina Department of Health and Environmental Control (DHEC) wants to assure that all children and teens have received recommended vaccines to prevent disease. DHEC reminds parents and guardians that South Carolina law requires that all students entering 7th grade receive one (1) dose of Tdap vaccine. The Tdap vaccine protects preteens and teens from three serious diseases: tetanus, diphtheria, and pertussis (whooping cough).
